KNIGHT/JACOBS JOINT VENTURE
MASTER AGREEMENT No., 4600000006
ISSUED UNDER DOE PRIME CONTRACT NO. DE-AC05-96OR22464

INSTRUCTIONS

Instructions for items other than those that are self-explanatory are as follows:

- (a) Item 1 (Subcontract ID Code). Insert the subcontract type identification code that appears in the title block of the contract being modified.
- (b) Item 3 (Effective Date).
- (1) For a solicitation amendment, change order, or administrative change, the effective date shall be the issue date of the amendment, change order, or administrative change.
- (2) For a supplemental agreement, the effective date shall be the date agreed to by the contracting parties.
- (3) For a modification issued as an initial or confirming notice of termination for the convenience of the Government, the effective date and the modification number of the confirming notice shall be the same as the effective date and modification number of the initial notice.
- (4) For a modification converting a termination for default to a termination for the convenience of the Government, the effective date shall be the same as the effective date of the termination for default.
- (5) For a modification confirming the contracting officer's determination of the amount due in settlement of a contract termination, the effective date shall be the same as the effective date of the initial decision.
- (c) Item 5 (Issued By). Insert the name and address of the issuing office.
- (d) Item 7 (Name and address of subcontractor). For modifications to a contract or order, enter the contractor's name, address, and code as shown in the original contract or order, unless changed by this or a previous modification.
- (e) Item 8 (Amendment of Solicitation No., Dated) and 9 (Modification of Subcontract/Order No., Dated). Check the appropriate box and in the corresponding blanks insert the number and date of the original solicitation, contract, or order.
- (f) Item 11. Check the appropriate box to indicate the type of modification. Insert in the corresponding blank the authority under which the modification is issued. Check whether or not subcontractor must sign this document (See FAR 43.103.)
- (g) Item 12 (Description of Amendment/Modification).
- (1) Organize amendments or modifications under the appropriate Uniform Contract Format (UCF) section headings from the applicable solicitation or contract. The UCF table of contents, however, shall not be set forth in this document.
- (2) Indicate the impact of the modification on the overall total contract price by inserting one of the following entries:
- i. Total contract price increased by \$_____
- ii. Total contract price decreased by \$_____
- iii. Total contract price unchanged.
- (3) State reason for modification.
- (4) When removing, reinstating, or adding funds, identify the contract items and accounting classifications.
- (5) When the form is used to reflect a determination by the contracting officer of the amount due in settlement of a contract terminated for the convenience of the Government, the entry in Item 12 of the modification may be limited to:
- i. A reference to the letter determination; and
- ii. A statement of the net amount determined to be due in settlement of the contract.
- (6) Include subject matter or short title of solicitation/contract where feasible.
- (h) Item 14B. The Procurement Manager's signature is not required on solicitation amendments. The contracting officer's signature is normally affixed last on supplemental agreements.

ISSUED UNDER DOE PRIME CONTRACT NO. DE-AC05-00OR22725

F5-2681-02-RFP02-1045, Amend 04
“Central Lab & Office Building General Construction”

Page 3

The purpose of the amendment is to incorporate the following changes.

a. Reference Section A; Solicitation, Offeror, and Subcontract Award form, block 8: Delete in its entirety and replace with “The Offeror hereby submits this offer with a price validity of ninety (90) calendar days after receipt by the CM of the final offer and pursuant to the requirements of Section B; Proposal Instructions and Conditions, paragraph 11.”.

b. Reference Section B; **Proposal Instructions and Conditions** (see Amendment 03): Delete in its entirety and replace with the attached Proposal Instructions and Conditions (see **Attachment C enclosed**). Please note changes have sidebar to identify changed areas.

c. Reference Section C; Pricing Schedule, Special Note No. 4: Delete in its entirety and replace with “Offerors’ shall provide a complete construction cost estimate breakdown (see **Attachment A enclosed**). This will enable a thorough price evaluation of each CLIN. Also, attached (see **Attachment B enclosed**) is a description of each construction specifications institute (CSI) code within each system identified.”

d. Reference Section E; Summary of Work, paragraph 1.11: Add subparagraph “G” as follows:

G. The AE/CM has established a Welders Qualification Program” with Ironworkers Local Union #384 and Plumbers and Steamfitters Local Union # 102 to provide welders to the subcontractor and all it’s lower tier subcontractors pre-qualified to certain welding specifications as called for in the project specifications. The individual welders time involved in the initial certification process and the testing results and certification papers are provided at no cost to the subcontractor.

- 1) When specifically requested by the subcontractor, structural welders will be provided with qualifications to CM specifications 05120 – Structural Steel, 05310 – Steel Deck, 05500 – Metal Fabrications, 18100 – General Welding Requirements, 18100A General Welding Requirements for Target Building and Beam Dump Systems and 05121 – Stainless Steel.
- 2) When specifically requested by the subcontractor, pipe welders will be provided with qualifications per **Attachment 04; Piping Welding Procedures Specification, to this Summary of Work.**
- 3) Subcontractors are to request individuals certified under this program in a reasonable time period prior to the anticipated need date of the individual on site.
- 4) Welders supplied to the subcontractors under this program that require subsequent welding certifications after arrival on site will be certified by the respective local union hall at no certification expense to the subcontractor. However, the subcontractor shall pay the individual welders regular hourly rate (overtime if outside the normal daily shift)
